### **Sacred Heart of Jesus Catholic School**

Are you considering Catholic School for your children? If so, you don't need to look further than right outside West Point's Thayer Gate! Sacred Heart of Jesus School is an accredited K-8 program with an outstanding 3 and 4 year old pre-school program. As the principal says, "Sacred Heart School is truly the "Heart of the Highlands! Besides our very high academic standards, we offer a solid foundation in the Catholic Christian tradition of strong values, morals and compassion for others. Jesus is the reason for this school and His gentle, loving touch and words are modeled by the administration, faculty, staff and students. Our children are the most precious gifts God has given us and how they are educated is a very important decision. Proverbs 22:6 says it best: Teach a child how he should live, and he will remember it all his life."

The Catechism of the Catholic Church (2229) states: "As those first responsible for the education of their children, parents have the right to choose a school for them which corresponds to their own convictions. ...As far as possible parents have the duty of choosing schools that will best help them in their task as Christian educators." Sacred Heart of Jesus School is an authentically Catholic school which provides a superb education. We hope and pray you will consider entrusting your children to us for their education.

The school is currently registering children for the 2008/2009 school year. The pre-school classes are filling up quickly! The tuition is definitely affordable for military families and well worth the sacrifice for our children. Sacred Heart also has excellent Chorus, Band and Drama programs as well as Spanish for grades K-8. The Specials include Advanced Math and English, Art, Physical Education, Computer Science, and Music. We have a great Science Laboratory and Computer Resource Room as well as an updated Library. Before and after school care is available starting at 6:45 a.m. and ending at 5:45 p.m.

Please call the school at 446-2674 for more information or contact Lisa Glen, Home School Association (HSA) President at 446-4874. The school website is: <http://www.sacredheartofjesushf.org>
