The Pope of Hope

(Excerpts from *Benedict XVI's Message to the US*, 8 April 2008)
"Dear Brothers and Sisters in the USA:
"The intention behind my visit is to reach out spiritually to all Catholics in the United States. I also earnestly hope that my presence among you will be a fraternal gesture towards every ecclesial community, and a sign of friendship for members of other religious traditions and all men and women of good will."
"Together with your Bishops, I have chosen as the theme of my journey: "Christ our hope". I shall come to United States of America for the first time to proclaim this great truth: Jesus Christ is hope for men and women of every language, race, culture and social condition. Yes, Christ is the face of God present among us. Through him, our lives reach fullness and we can become a family united by fraternal love, according to the eternal plan of God the Father. I know how deeply rooted this Gospel message is in your country."
"Indeed, the world has greater need of hope than ever: hope for peace, justice, and freedom, but this hope can never be fulfilled without obedience to the law of God, which Christ brought to fulfillment in the commandment to love one another. Do to others as you would have them do to you. This "golden rule" is valid for all people, including non-believers. It is the law written on the human heart; on this we can all agree."

Construction on the Bell Tower begin on 03-03-08 through 12-20-08. This will eventually effect parking and traffic here at the chapel as time goes on. More information to come.

MCCW reflects a visible presence of Christ in military communities by fostering and nourishing women in spirituality, leadership and service. Inspired by the Holy Spirit, MCCW serves as a vital enhancement of the religious support mission of military chapels. All women are welcome and there is no commitment. Join any activity that interests you or just come when you can. Come alone or with a friend. We'd love to see you.
