

**Worship Committee Notes**  
**11 July 2002**

1. Attendees: Father Burns, LTC Welch, Ms Kay, Mrs. Kate Hayden, and LTC Larson
2. I covered the notes from the last Parish Council meeting from 12 June. No questions were raised since all were present for the parish council meeting.
3. Old Business:
  - a. Cookie night yesterday went very well. Ask that everyone continue this important ministry for the next three weeks. All are welcome, the more hands, the lighter the work. This is one of the most appreciated acts of kindness to these new Cadets. Come on out, we'll teach, instruct, train you on how it works, set up, etc.
4. New business:
  - a. Ron:
    1. Need a calendar placed on the web with all significant church activities on it for any and all ministries.
    2. All ministries need to provide their inputs for the web. Information is key to the success of your ministries. Please provide it to myself, Ron, or Scott Lathrop.
    3. All ministries need to appoint a cadet as the Cadet in Charge (CIC) of each ministries. This cadet is your POC for getting cadets the word, finding volunteers, workers, etc. Please provide us their names soonest to be added to the web pages.
    4. Next week Wednesday during New Cadet cookie night, we will have sign up sheets to get the new cadets' names who are interested in which ministries. We'll run that for two weeks.
  - b. Father:
    1. The Worship Committee needs to pick days that he does not offer mass. I'll coordinate this with him and let you all know the next meeting.
    2. Ministry coordinators: Anyone need training? He is available to instruct when needed.
    3. The piano is in, sounds great.
    4. The speakers/amps in the church were tweaked and hopefully has solved the sound problem.
  - c. Kay and Kate will man or women the Most Holy Trinity table on 31 July during the community open house in the Ike Ball room. This is in support of the ONAP, new personnel briefing by the Superintendent that same night. All coordinators are asked to provide Kate any flyers they want passed out on their ministries. There will be sign up boards available for all ministries, registration, etc.
5. Here to serve.
