The West Point Experience

**AT WEST POINT,
MUCH OF THE HISTORY WE TEACH
WAS MADE BY PEOPLE WE TAUGHT.**

Why is the United States Military Academy so special? Perhaps the words of Douglas MacArthur, in an address to the Corps of Cadets, best express why this four-year college has produced so many great leaders. MacArthur said: "Duty. Honor. Country. These three hallowed words reverently dictate what you ought to be, what you can be, what you will be..."
