HIGHER GROUND

Strengthening Men In Their Walk With Christ

Higher Ground is a Christian ministry that serves the West Point community and whose aim is to foster an environment in which men may dwell together in unity as we seek to serve others. Higher Ground formally began in 1999 when Stu Weber, Senior Pastor of Good Shepherd Community Church, Boring, Oregon, visited USMA to speak to men out of a desire for a regular fellowship for Christian men to meet. He was the catalyst for the ministry now known as Higher Ground. Although Higher Ground is Christian-based, it is open to all men.

The mission of Higher Ground is threefold and is based on the following passages found in Hebrews 10:24-25:

“And let us consider one another to provoke unto love and to good works: Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching.” Higher Ground’s mission is (1) to encourage men to love one another irrespective of socioeconomic, cultural, or racial differences; (2) to produce Christian growth and maturity through ministry, fellowship, and accountability; and (3) to empower men, *as men*, to serve as Christian leaders in their home, in the workplace, and in their community.
