The screenshot shows the top portion of the West Point website. At the top left is the West Point crest. To its right, the text reads "UNITED STATES MILITARY ACADEMY" in a smaller font, followed by "WEST POINT" in a large, bold, serif font. Below this is a navigation menu with links for "Admissions", "Academics", "Military", "Athletics", "Leadership", "Community", "News", and "About Us". To the right of the menu are social media icons for Facebook, Twitter, YouTube, and LinkedIn. The main content area features a large photograph of a military helicopter in flight, with soldiers visible inside. Below the photo is a caption: "Cadets participate in an 11-day Air Assault course designed to make them sling-loading experts and teach them how to rappel from fixed locations." Underneath the photo is a "Welcome to the United States Military Academy" section. The text in this section states: "The United States Military Academy's mission is to educate, train and inspire the Corps of Cadets so that each graduate is a commissioned leader of character committed to the values of Duty, Honor, Country and prepared for a career of professional excellence and service to the Nation as an officer in the United States Army." It continues: "The Academy provides a superb four-year education, which focuses on the leader development of cadets in the academic, military, and physical domains, all underwritten by adherence to a code of honor."
