DATA REQUIRED BY THE PRIVACY ACT OF 1974

The information requested of you on this form is authorized by Title 5, United States Code 301 and Title 42, United States Code 410.

We need the information you put on this form to see how well your education and work skills fit you for a job, and for personnel actions after employment, such as promotion, transfer, and pay and leave entitlements. We also need information on matters such as citizenship and military service to see whether you are affected by laws we must follow in deciding who may be employed. We cannot determine your qualifications, which is the first step toward getting the job, if you do not answer these questions.

We must have your Social Security Number (SSN) to keep your records straight because other people may have the same name and birth date. The SSN has been used to keep records since 1943, when Executive Order 9397 asked agencies to do so. We may also use your SSN to make requests for information about you from employers, schools, banks, and others who know you, but only where allowed by law. The information we collect by using your SSN will be used for employment purposes, and also for studies and statistics that will not identify you. Information we have about you may also be given to federal, state, and local agencies for checking on law violations or other lawful purposes.

I CERTIFY that the statements made by me in this application are true, complete, and correct to the best of my knowledge and belief and are made in good faith.
