

MILITARY SCIENCE

Joint Professional Military Education (JPME)

Instructional Goal: Have knowledge of the basic U.S. defense structure, roles and missions of other Military Sciences, the combatant command structure, and the nature of American military power and joint warfare.

CJCSI 1800.01D (Officer Professional Military Education Policy) directs JPME at the pre-commissioning level. Instruction from DMI and two academic departments fulfill this requirement.

Performance Objectives:

- Understand National Military Capabilities and Organization
- Understand the Foundation of Joint Warfare

Guest Speaker/Lecture Series:

Services Panel
Current Operations Briefing

JPME Learning Objectives Crosswalk

CJCSI 1800.01D (Officer Professional Military Education Policy) Requirements

Third Class

Second Class
