

## CHAPLAIN'S TIME

A friendly reminder: parents, family member(s), girl friends, boyfriends are **NOT** allowed to attend Chaplains Time; this is a very critical time for the new cadets and any outside influence could jeopardize this ministry opportunity. Also, no pictures are permitted to be taken during chaplain's time. Please do NOT ask anyone to snap a quick picture of your New Cadet, as this could also jeopardize this ministry opportunity.

*Thank you for  
your ministry

# PROTESTANT & CATHOLIC CHAPLAIN'S TIME COOKIES

**Greetings!** Thank you for wanting to support the Class of 2022 during their first month at West Point. BEAST (Cadet Basic Training) is a really busy and crazy time for most of them and the privilege of going to Protestant and Catholic Chaplain's Time on Wednesday nights is a GREAT time of refreshment and opportunities to fellowship with other believers.

The dates for Chaplain's time this year are: **July 4, 11, 18, and 25**. We anticipate roughly 500 to 600 New Cadets rolling through each week. The focus of Chaplain's Time is worshipping our Lord and Savior, as well as having some time of fellowship afterwards.

We want to provide some light snacks during fellowship and we need your help! But due to ever increasing logistical issues, we are no longer accepting any goodies sent in through the mail, nor can treats be sent to specific new cadets. Therefore, we have several local bakers lined up who are ready to take your orders and deliver them directly to Chaplain's Time.

The bakers as well are unable to deliver notes to your new cadet. But we do greatly appreciate your help with making Chaplain's Time run smoothly by using one of the local bakers listed on the right to send goodies to the new cadets. They have been delivering to Chaplain's Time for the past few years and are well aware of the process.

## Local Bakers

On the right is a list of local bakers; please be sure to let them know if it's for the **Protestant Chaplain's Time** or **Catholic Chaplain's Time** (so they'll know which location to deliver the goodies to):
